New in our Perlenkinder House

July 2026

Dear Friends of the Perlenkinder in Buhoma,

We are very pleased to share some important news with you: Starting August 1, our children's home will be strengthened by two new, valuable members of our team.

We warmly welcome Desmon as our vice deputy director of the children's home and Dan as our new security officer. We are so happy that you are joining the Perlenkinder family and that, with your dedication, sense of responsibility, and compassion, you will help provide our children with a safe and loving home.

With these two new team members, we are further developing our children's home, making it more professional, and creating even better structures for the future. It is an important step on our journey to provide the children with protection, security, and new opportunities.

We extend a very warm welcome to Dan and Desmon and wish them much joy, strength, and success in their new roles. Together with them, we form a chain of hope.

Dan and Desmon
